**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**NOTES TO FINANCIAL STATEMENTS**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of Reach One Touch One Ministries, Inc. (ROTOM) is presented to assist the reader in understanding the financial statements.

**History and purpose** - ROTOM is a non-denominational Christian ministry dedicated to meeting the spiritual, social, physical and psychological needs of the elderly located in Uganda and Ethiopia, Africa. ROTOM also assists the dependents of the elderly, so they both may live dignified, independent, and hopeful lives. ROTOM addresses physical health issues by improving nutritional standards, hygiene, and sanitation. Emotional health is addressed by providing counseling services, holding fellowship meetings and conducting home visits. Additionally, ROTOM seeks to lessen the burden of dependents on the elderly.

**Income tax status** - ROTOM is exempt under Section 501(c)(3) of the Internal Revenue Code from tax on income derived from donations, income generated by activities carried on in furtherance of its exempt purpose and certain other specified income and, in addition, is qualified to receive tax deductible contributions.

**Basis of accounting** - Financial position and activities are reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. These net asset classifications are described as follows:

Unrestricted net assets - not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes or locations by action of the Board of Directors.

Temporarily restricted net assets - subject to donor-imposed stipulations that may be fulfilled by actions of ROTOM to meet the stipulations or become unrestricted at the date specified by donor.

Permanently restricted net assets - subject to donor imposed stipulations that they be retained and invested permanently. ROTOM has no permanently restricted net assets.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. Those estimates and assumptions may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Definition of cash** - For the purpose of the statement of cash flows, the definition of cash is all cash on hand, demand deposits, and money market accounts.

**Pledges and contributions receivable** – Pledges and contributions receivable consists of unconditional promises to give from individuals or other organizations. These promises to give are recorded as receivables and revenues and ROTOM distinguishes between pledges and contributions received for each net asset category in accordance with donor-imposed restrictions. Management closely monitors outstanding pledges and contributions receivable and establishes an allowance for doubtful accounts based on its evaluation of collectability. Management does not book pledges and contributions receivable except at year-end. Management believes all outstanding pledges and contributions receivable for the year ending December 31, 2015, are fully collectible. Subsequent to issuance of the financial statements, all receivables at December 31, 2015, had been collected in full.

**NOTES TO FINANCIAL STATEMENTS**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued**

**Accrued liabilities** - ROTOM accrues expenses for amounts associated with pledges and contributions receivable at year-end.

**Contributions** - Gifts of cash and other assets are reported as restricted support if received with donor stipulations limiting the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Gifts of land, buildings, and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions specifying how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulation, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

**Functional allocation of expenses** - The cost of providing various programs has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

**Reclassification** - Certain prior-year amounts have been reclassified to conform to current year presentation.
